

Team Breakaway

A fun and social team building with interesting activities that challenge the group to interact, get to know each other and see a different side to each other.

Our first activity is **THE ICE BREAKER** ... we energise the group and get everybody involved. The Team Identity Challenge and Helium Hoop task gets the team spirit going!!

TASK DESCRIPTIONS

GIANT matchstix PUZZLES

Objective: Think Outside the Box

Teams are presented with different matchstick puzzles of giant proportion. Once a team has completed a puzzle they move onto the next puzzle. First team to solve all the puzzles takes the lead.

PATH CLEARANCE PUZZLE

Objective: Team Problem Solving

A brilliant puzzle where teams minds will be challenged. Lots of planning and communication is required in order to re-arrange a giant puzzle into the correct sequence.

Radio TOWERS

Objective: Be Creative (and Practical☺)

Teams are provided with equipment required to build a radio tower that can stand on its own. The team with the highest tower gets the best signal!!

LANDMINE DISARMING

Objective: Open the Communication Lines

Teams must communicate using verbal commands and hand signals to direct the blindfolded team member through the minefield without standing on a landmine!
